

# CARTELLA *colori* TUC

Le tinte del presente campionario, essendo ottenute in stampa quadricroma, seppure attendibili, hanno valore puramente indicativo e pertanto sono possibili differenze con il prodotto applicato. Inoltre, a causa della diversa composizione e spessore, gli stessi colori possono presentare differenze di tonalità da prodotto a prodotto. Su ampie superfici si raccomanda di applicare sempre il prodotto della stessa partita in quanto sono possibili lievi differenze di tonalità da partita a partita.

Applicare solo su supporti ben portanti e convenientemente asciutti, a temperatura ambiente compresa tra +5°C e +35°C e con umidità relativa non superiore al 75%. Evitare inoltre l'applicazione in presenza di pioggia, vento, fumi e polvere.

Immagazzinare i prodotti nei recipienti originali ben chiusi, non diluiti, in luogo fresco e protetto dal gelo.

## DOMOQUARZ

Idropittura acrilica al quarzo per interni ed esterni

## DOMOQUARZ PLUS

Idropittura acrilica al quarzo per interni ed esterni

## MEGAQUARZ

Idropittura acrilica al quarzo per interni ed esterni

## MEGAQUARZ PROFESSIONALE

Idropittura acrilica al quarzo professionale

## MEGAQUARZ FORTE

Idropittura acrilica al quarzo  
antimuffa e antialghe

## MEGAQUARZ SILOSSANICO SOFT

Idropittura minerale al quarzo  
a base di resine silossaniche

## MEGAQUARZ SILOSSANICO

Idropittura minerale al quarzo  
a base di resine silossaniche

## MEGAQUARZ RULLATO LUCIDO

Rivestimento plastico lucido

## EUROPLAST GRAFFIATO

Rivestimento plastico decorativo  
per esterni ed interni

## EUROPLAST BUCCIATO

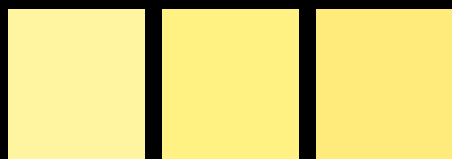

Rivestimento plastico decorativo  
per esterni ed interni

## EUROPLAST SPATOLATO

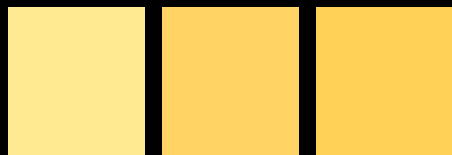

Rivestimento plastico decorativo  
per esterni ed interni
